## HELLO

I am a happy, positive individual, who always looks for the positive no matter the situation. I am said to have a wide smile that never fails to light up the atmosphere and those around me. I am talkative and cheery as well as being dedicated to my studies but also becoming the best possible designer I can be. I want to be able to expand my skill set by receiving top notch tips and tricks to improve my skills as a designer.

## SKILLS

- Illustration
- *(vector & hand drawn)*
- User Interface Design
- User Experience Design

- Learning
- Passionate
- Problem Solving
- Friendly

## EDUCATION

### Ulster University *(Belfast)*

BDes (Hons) *Interaction Design*  
(2018-2022)

#### Modules:

- *Designing with Content*
- *Exploring Identity*
- *Communication Design*
- *Fundamentals of Interaction Design*
- *Image and Data Visualisation*

## EXPERIENCE

- **Assets curator freelance** *(For SportBuff)*- Created assets for Dream hack Twitch tournament including **(FIFA, Rocket league, PUBG)**.
- **Fooducate-** *(Children's Elements App)* An elements app designed for children to educate them the elements within the periodic table. I was able to do this by creating a digital shopping experience associating food with the elements of chemistry.
- **Branding-** *(Creating my brand)* My own brand Identity Monogram, Visual Marque, Word marque and a set of Brand Guidelines.
- **Cityscape Tutorial-** For UI/UX Designers *(tutorial)* designed to help UI/UX designers develop their illustration skills by building beautiful cityscapes using the basic shapes.
- **News application-** World Independent: *(A news application)* created to allow users to view worldwide news depending on their interests.
- **Digital eBook-** *Sherlock Holmes (A interactive eBook)* that displays Sherlock Holmes content and chapters in a more user-friendly way.
